

§ 682.505 Insurance premium.

(a) *General.* The Secretary charges the lender an insurance premium for each Federal GSL Program loan that is guaranteed, except that no insurance premium is charged on a Federal Consolidation loan, or on a Federal SLS or Federal PLUS loan made under § 682.209(f).

(b) *Rate.* The rate of the insurance premium is one-fourth of one percent per year of the loan principal, excluding interest or other charges that may have been added to the principal.

(c) *FISL loans—insurance premium calculation.* (1) The insurance premium for FISL loans is calculated by—

(i) Counting the number of months beginning with the month following the month in which each disbursement on the loan is to be made and ending 12 months after the borrower's anticipated graduation from the school for attendance at which the loan is sought;

(ii) Dividing one-fourth of one percent of the principal amount of the loan by 12; and

(iii) Multiplying the result obtained in paragraph (c)(1)(i) of this section by that obtained in paragraph (c)(1)(ii) of this section.

(2) If the lender disburses the loan in multiple installments, the insurance premium is calculated for each disbursement from the month following the month that the disbursement is made.

(d) *Federal PLUS and SLS Loans—insurance premium calculation.* The insurance premium for a Federal PLUS or SLS loan is calculated by—

(1) Using the projected repayment period as a base;

(2) Amortizing the loan in equal monthly installments over the repayment period;

(3) Determining one-fourth of one percent of each monthly declining principal balance; and

(4) Computing the total of monthly amounts calculated under paragraph (d)(3) of this section.

(e) *Collection from lenders.* (1) The Secretary may bill the lender for the insurance premium or may require the lender to pay the insurance premium to the Secretary at the time of disbursement of the loan. At the Secretary's discretion, the Secretary may

alternatively collect the insurance premium by offsetting it against amounts payable by the Secretary to the lender.

(2) The Secretary's guarantee on a loan ceases to be effective if the lender fails to pay the insurance premium within 60 days of the date payment is due. However, the Secretary may excuse late payment of an insurance premium and reinstate the guarantee coverage on a loan if the Secretary is satisfied that at the time the premium is paid—

(i) The loan is not in default and the borrower is not delinquent in making installment payments; or

(ii) The loan is in default, or the borrower is delinquent, under circumstances where the borrower has entered the repayment period without the lender's knowledge.

(f) *Collection from borrowers.* The lender may pass along the cost of the insurance premium to the borrower. If it does so, the insurance premium must be deducted from each disbursement of the loan in an amount proportionate to that disbursement's contribution to the premium amount.

(g) *Refund provisions.* The insurance premium is not refundable by the Secretary and need not be refunded by the lender to the borrower, even if the borrower prepays, defaults, dies, becomes totally and permanently disabled, or files a petition in bankruptcy.
